## Why We Use Refinite Soft Water

# Immaculate Results

There is a pleasant thrill awaiting you on opening your package from our laundry.

Daintiness and delicacy have been added to your exquisite garments. Their original lustre is retained; the whiteness is immaculate and as refreshed as if the cloth had been woven anew. The colored fabrics likewise are bright and gleam with the beauty of their design. The most costly frock is unharmed.

It is the perfect laundering obtained by our using Refinite softened water.

Refinite is Nature's own water softening mineral, not a preparation to "break" the water. It collects and holds the hardening elements, leaving the water softer than falling rain.

Soap lathers instantly in Refinite softened water, and "lifts" the dirt with far less washing. No gummy soap curd forms to stiffen and discolor the clothes. The water is improved for drinking purposes, as well, and so velvety soft that we launder woollens, blankets, silks, laces and all fine fabrics that are washable, without damage to color or fibre.

Let us show you how sweet smelling and snowy white Refinite soft water will make your linens.

## Did You Know These Things About Your Telephone?

That the clearness of your speech as transmitted over the wires depends largely upon the distance of your lips from the mouthpiece on the transmitter—

That the proper distance is about one inch; if farther than that, such sounds as "b, p, d, t, f, z," etc., will be transmitted poorly;

If closer than one-half inch, nasal sounds like "m" and "n" will not enter the transmitter properly.

Scientific tests show that every additional inch of distance between the lips of the speaker and the mouthpiece of the telephone is equivalent to adding 120 miles of wire to the line over which one is talking!

Proper observance of these "sound facts" may greatly improve your telephone service.

## News Notes From Movieland

—BY DAISY DEAN

Tom Moore will be seen in all his glory in his next Goldwyn picture, "Canavan," from the pen of Rupert Hughes. Tom has a chance in the picture to portray a role which is new to him and which fits him to a "T"—the role of a real, honest-to-goodness, no-fancy-frills Irishman. Since he was born in County Mayo, it hardly needs added that he enjoys his part.

**NEXT LYTTEL FILM.**  
Arthur Maude has been engaged by Metro to make the screen adaptation of "A Message from Mars," the successful stage play by Richard Gordon in which Bert Lytell is the star on the screen. Mr. Maude has written two comic operas which will be produced in New York in the fall. Mr. Maude is an Englishman who appeared in London as an actor with Henry Irving, Martin Harvey, and Ben Greet. Coming to America, he did Greek plays in California and made his own production of "Peleus and Melanippe." "Beyond Himmelpoort" and "Pamela" are his other plays. He also appeared with Viola Dana in "The Microbe," for Metro. He has written a number of successful scenarios.

**GORDON WAS A COMER.**  
In one of his "rattling the skeleton" moments, Al Cohn confided that Robert Gordon's name is Mark Comer and that the young actor changed it when he got his first big part with Lasky. Al insists that the change was made because Bob felt that he was no longer just a comer in the business. Anyway you figure it out, one must admit he has arrived.

**"LAVENDER" BEGUN.**  
Director Lloyd Ingraham is right in the midst of the "shooting" of "Lavender and Old Lace," the first of Myrtle Reed's novels to be produced as a photo play. The comedy includes Marguerite Snow, Lillian Owen, James Corrigan, Lillian Elliot, Victor Potel, Zella Ingraham and Louis Beaulieu.

**SCREEN FLICKERS.**  
Constance Talmadge's next picture will be titled "Dangerous Business." The story is known to magazine readers as "The Chessboard." Many of the scenes will be filmed in Europe.

Jack Holt will play the lead in Mary Miles Minter's next Reolart picture. In the production Miss Minter plays three characters. Chester Franklin will be her director.

King Vidor is now engaged in Cohn's big novel of the Canadian foothills. It will be Vidor's third independent production.

Mme. Nadeau is in New York renewing her acquaintance with her husband and former director, Chas. Bryant, and planning for an eastern film production of "Aphrodite," in which she, of course, will have the stellar role.

Frank Mayo is starred in "Hitchin' Posts."

**TEARLE IS "ACTIVE."**  
Leon Tearle, according to the Conway Tearle, announcement, has been taken on by Jack Dempsey as a sparring partner at the champion's New York training quarters. Tearle is playing the leading role in an R. A. Walsh production for Mayflower, but manages to steal away twice a week for a bout with the old pros, while in England, Tearle was a professional boxer.

**NO QUORUM TO ELECT.**

# ANNUAL RED CROSS ROLL CALL NOV. 11

No Canvass Here This Year— Campaign to Be Conducted by Mail.

A letter telling of the plan that will be used by the Rock county chapter of the American Red Cross for the annual roll call, Nov. 11-25, was drawn up at a meeting of individuals here a few days ago, to be sent to all branches of the Rock county chapter. They are located at Footville, Avalon, Edgerton, Evansville, the combined Rock Prairie-Johnstown, Mount Center, Milton Junction, Milton, Oxtordville and the School for the Blind.

Another letter was drawn up at the meeting which will be the campaign letter, as it is decided that the campaign should be carried on by mail instead of having a personal canvass as formerly. This letter is sent to all those who subscribed last year, about 4,000 in this city, asking them to send in a dollar for the roll call. These letters will be mailing year after the first of November. Miss Hattie Alden, secretary of the county chapter, stated that it was as possible to send a dollar to the roll call or not to receive a letter, as many addresses cannot be secured. A coupon will be attached to send in with the money.

Play Use Other Methods.

All the branches may not follow this method of conducting the campaign, stated Miss Alden. Each branch can use its own plan. The letters also tell what the chapter is now doing, its main work being health nursing lines. Disabled soldiers are aided and applications are made for bonus money, medals, etc., through the local office.

The plan to be used in the campaign was made locally, and orders may be received from headquarters to do otherwise.

Two important conferences are to be held in the near future, at which the time plans will be discussed for the roll call. One will be at Madison, September 30, which will be the regional conference. More than 100 chapter and branch heads are expected to attend this conference, which will be held in the Cantwell building. Walter Davidson is acting manager of the conference.

Another conference to be held at Milwaukee in October, at which the time plans of the city will be discussed. The roll call will be conducted in the city, and the executive committee of the Rock county chapter, which probably attend the conference, will be in the city.

Pamphlets for distribution among the ministers of the city were sent out a few days ago. All pastors of the city will be asked to set aside Sunday, November 14, to the subject, and preach sermons on the subject, which will be the Red Cross is now doing and suggestions for sermons.

Miss Alden is now busy adding soldiers and hopes to get much of that done before the work on the campaign begins.

## Successor to Dean Reilly

REV. DEAN JAMES F. RYAN. Above is shown a picture of Rev. Dean James F. Ryan, recently appointed to succeed the late Rev. Dean Eugene E. Reilly at the St. Patrick's Catholic church here.

Dean Ryan came here from Beloit, where he has served for five years. He was ordained in Milwaukee, June 17, 1914. During the first three years of his priesthood he served as assistant at St. Patrick's church, Milwaukee, retaining in 1917 to St. Francis Seminary, where he taught for 12 years.

## FALL IN PRICE OF VEGETABLES SEEN

Tomatoes Fall 50 Cents a Bushel—Egg Plant, Cauliflower, Peaches Cheap.

abundance for 5 cents each. Celery still sells at 10 cents a bunch. Apples Still 8 Cents.

Fruits are plentiful. More of the canning fruits have come in this week. Peaches are selling at \$3 a bushel. Apples are nearly at the end of their season, are cheap, a bushel selling for \$3.55. Grape fruit is just coming into its own and is now selling at 10 cents a bushel. Blueberries are plentiful. Apples are comparatively high, the price still being 8 cents a pound.

Cranberries, pumpkins, squash and beets have made their appearance in the markets here within the past few days. These together with eggplant, cabbage, turnips, rutabagas, cucumbers, carrots, cauliflower, tomatoes, and home grown onions, which were seasonable last week and which are still on the market, give the housekeeper a plentiful supply of vegetables.

There will only be a few more weeks when the variety of vegetables is so large, say local grocers. The drought which has been prevalent here for the past month has somewhat depleted the vegetable crop. Cucumbers, which should now be at the height of their season, are very scarce, selling at about 6 cents each. Beets also are not as plentiful as usual nor are carrots, the former selling at 8 cents a bunch or \$1 a bushel, and the latter at 8 cents a bunch.

Plenty of Sweet Spuds.

Sweet potatoes will be very abundant this season, according to the growers, a peck now selling for 60 cents.

Cauliflower and egg plant are somewhat cheaper this week than the price now being from 15 to 25 cents a head. The price of tomatoes is also cheaper this week than last, a bushel selling for \$1 while last week the price was \$1.50. Red and green peppers are now to be had in abundance.

## THREE GRASS FIRES HERE IN 20 HOURS

A scorching sun combined with lack of rain has made grass and weeds throughout the city highly inflammable. Within 20 hours the fire department has been called out three times to extinguish the spreading grass fires.

The worst of the three was the one at 9:10 this morning along the north side of the Janesville-Edgerton road near the Hanson Furniture factory and extending almost to St. Mary's avenue. Chief Murphy's men wileded brooms and manipulated hand pumps to extinguish the blaze in quick fashion.

Two grass fires were extinguished Friday afternoon, one at 1 o'clock near the home of George Cantwell, 1415 Ravine street, and the other at 3 o'clock in back of the home of Mrs. A. Thoroughgood, 219 Prospect avenue.

A straight ticket is one with all the crooked candidates left off.

## PIGEONS "HOP OFF" ON 350-MILE FLIGHT

A crowd of nearly 200 saw two carrier pigeons start from Janesville at 10 o'clock this morning on their 350-mile flight to the Rexall pigeon loft in St. Louis. In Mayor T. E. Welsh's absence, Thomas J. Murphy, advertising manager of the Gazette, acted as starter.

Released from their cage in front of the city's drug store, the birds flew north and upward until they had reached a height of about 300 feet, when they got their bearings, circled around and swung due south. Making a speed of from 45 to 50 miles an hour, they passed quickly from view.

Each carried the following message: Janesville, Sept. 25, 1920. Mr. J. C. Liggett, president, United Drug Co., St. Louis, Mo. Best wishes and good luck. "Smith Drug Co."

The flight is part of a middle west pigeon derby, a feature of the Rexall convention in St. Louis. Pairs of homing pigeons today left 2,500 cities within a radius of 500 miles of that city.

## TEACHERS HERE FROM 4 COUNTIES

About 20 were present at the conference of training school teachers and county superintending school officers held here at the Rock county training school today. Four counties, Racine, Kenosha, Green and Rock, are represented at the convention, which is the first of its kind to be held in this part of the state.

The fore noon and afternoon sessions were given over to lectures and at noon luncheon was served by the Rock county training school students.

Principals Frank J. Lowth, C. H. Dietz, Arthur J. Smith, and George A. Essford, were among the speakers at the morning session. Talks were also given by Anna K. Hanson and Ella J. Johnson on "Practice Teaching: What It Is and What It Might Be."

Speakers at the afternoon session were: Dr. Carter Alexander, Madison; Supt. P. O. Holt, Janesville; and Supt. J. C. Liggett, Janesville.

## 200 BOYS HAVE BIG TIMES AT "Y" RALLY

## OLD BELOITERS FEATURE SAMSON WEEK-END GAMES

With the Beloit Fair playing away from the Gateway city park today and Sunday, interest in baseball in this neck of the woods centers in the Samson-Case contests here. Beloit is particularly paying attention because of the fact that two former line city favorites, Ed. Schacht, erstwhile Beloit college star, and Frank (Rufus) Gregory, an old Beloit ball player, will feature the Sunday game.

Gregory is the new pitcher secured by the Samson Tractors from the Rapid City, South Dakota, team. Rapid City is the town that drew Huntington away from the Fairies and led to the loss of the team.

Gregory will twirl for the locals Sunday afternoon.

Dumont Twirls Today  
Schacht will be in Case Tractors' lineup as an outfielder. Because of these attractions, it is believed quite a number of Beloit fans will journey this way to attend the games. In addition, Beloit followers of the national pastime have formed a warmer place in their hearts for the Samsons since the Kansas City team at the speed.

"Smiling" Bill Lathrop will cover third base in both games for the Samsons. Manager Perrings has picked George Lamont, the speed king, to keep on the mound for the Samsons this afternoon. While this is not George's turn—he pitched last Sunday—Perrings is saving Lamont for the big St. Louis National game next Tuesday afternoon. The arrangement will leave Dumont in condition to pitch against Seneca at Evansville next Thursday.

## Elliott, Williams and Brumm Have Good Chances on Badger Squad

After two weeks of light practice under a sweltering sun, candidates for the 1920 Badger football team are getting down to regular afternoon workouts as Coach Richards begins the boiling down process with the wealth of material which has reported.

## As You Were

By BUCK.  
Of the Stars and Stripes A. E. 1

Within the shrouded, mystic hollow  
They greet the God who rules the earth.  
The High Priests kneel, the people  
Chanting the hymns that praise his worth.

Rare skins, ripe fruits are laid before  
him.  
For he has sent them harvests fair.  
So deep his votaries adore him  
He answers every plea and prayer.

High is his praise and many a wonder  
They celebrate in pious rite.  
How floods were stayed, how carben  
The thunder of the land of pest and blight.

Blessed was his name in song and  
story  
Through many a sick and prosperous  
year.  
Then, thinking for the conqueror's  
glory  
They ground the sword and shaped  
the spear.

Before the shrine they asked the favor  
Before the God they knelt for favor  
And begged for victory at his feet,  
then marched to war and learned  
the savor  
Of pillage, murder and defeat.

Deserted in a misty hollow,  
The God who served their peaceful  
needs  
Now rules a swamp where swine  
herds wallow  
And restless people mock old  
creeds.

And there's another problem that  
comes with the woman's vote,  
ex-Ser. SOL, what about mixed  
marriages?

Remember the old-fashioned man  
that only wore his hat one season?

LOCAL ALL-STARS  
HAVE DOUBLE-HEADER

Two games are on the books for the Janesville All-Stars this week-end. At 1 o'clock Sunday they take on the Woodmen of the World and at the close of that contest tackle the Beloit Colored Giants. Both will be played at Samson diamond. Dick has been picked to pitch against the Woodmen, Hager against Beloit.

Even son, and the Beloit boys will be the Stars biggest affair of the season and promises to be a battle royal. Martin, who held the Stars to eight scattered hits in the last game between the two teams, will probably hurt for Beloit.

Schilling is out of the game with a broken finger.

Lineup:  
All-Stars—Bick, Hager, p; Grassie, 1b; Marko, 1b; Hager, 2b; Schilling, 3b; Graf, 1b; Cullen, 1b; Muellerman, c; Cutts, c.

## Sox Must Win Today to Figure In Chase for Evasive Bunting

Cleveland regained its game and a half lead over the Chicago White Sox Friday afternoon by defeating the Windy City aspirants to the pennant by the score of 2 to 0. Walter Mails, the Indians' left hand recruit, gave the Chicago club only three hits and struck out six.

Only two Chicago men reached second, Eddie Collins made both, in the first and fourth stanzas. The side was retired in order in five of the nine innings.

Bunching six of their hits in the first two innings, the Indians scored their only two runs. Palmer pitched the night ball for the rest of the way and only two Cleveland players reached first.

Sox Chance Today  
Cleveland and Chicago meet today for the last time this season. A Cleveland victory will practically eliminate the Chicagoans as contenders in the flag race.

The Brooklyn and New York baseball teams after a two day's rest, met at Ebbets Field today in the first of their five game series which will definitely decide the winner of the National league pennant.

Brooklyn enters the series with a lead of five games over the Giants and in order to win the flag it will be necessary for them to take two games from McGraw's club. If the Superbas win only one game from the Giants they would still have a chance of winning the pennant by defeating Boston in the final game of the season on October 3.

The Superbas and Giants will play their second game tomorrow and the remaining three games at the Polo Grounds Thursday, Friday and Saturday of next week.

Upon completion of the organization it will mean that four leagues will be in the field with a total of 40 teams and an aggregate of 240 bowlers, including some should a
